

Each year Pack 444 participates in the Trail's End Popcorn Fundraiser.

This is our most important time of year as Popcorn sales directly fund all Pack activities throughout the entire scouting year.

Our Pack strongly encourages any newly registered Scouts to participate in our fundraiser during their 1st year. Participating in the 1st year will allow the Scout the opportunity to pay their own way by selling enough popcorn to cover their annual Pack Dues collected in November. It's also a great way for them to get to know some of their fellow Scouts.

Plus we have lots of cool prizes to give out!

Our Pack expects all Scouts starting in their 2nd Scouting Year to actively participate in our Popcorn Fundraiser.

For New Scouts:

This would be Scouts who did not participate in popcorn sales last year. We need each Scout to be registered under their own account in Trails End.

Please complete the steps below to register your Scout.

If you have multiple Scouts in our pack

YOU MUST SET UP ONE ACCOUNT PER SCOUT!

You will be able to use the same email address when registering each Scout and change the Scout name and username for each Scout in your family.

FUN FACT TIME: Just because a Scout is registered with our Pack does not automatically register them within Trails End Portal which is utilized for Popcorn Fundraiser.

As a Pack we need every Scout registered with our Pack to also be registered in Trails End.

Please review the steps below to get registered within the Trails End App to get starting on selling today!

If you have any questions or need any assistance don't hesitate to reach out to our Interim Popcorn Kernel for this year:
