

Each year, Pack 444 participates in the Trail's End Popcorn Fundraiser. Popcorn sales are our most important fundraiser because they directly help fund Pack activities throughout the entire Scouting year. Pack 444 expects all Scouts beginning with their 2nd Scouting Year to actively participate in the annual Popcorn Fundraiser.

WE NEED YOUR HELP to ensure we are all set up and ready to go!

We are asking each family, new and returning, to complete certain steps before our Popcorn Kickoff Meeting!

For New Scouts:

This would be Scouts who did not participate in popcorn sales last year. We need each Scout to be registered under their own account in Trail's End.

Please complete the steps below to register your Scout.

If you have multiple Scouts in our pack
YOU MUST SET UP ONE ACCOUNT PER SCOUT!

You will be able to use the same email address when registering each Scout and change the Scout name and username for each Scout in your family.

IT TAKES LESS THAN 2 MINUTES TO COMPLETE THE REGISTRATION AND CAN BE DONE FROM YOUR PHONE!

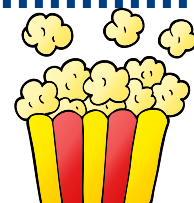

For Returning Scouts:

Anyone who participated in popcorn sales last year. Please go to the Trail's End app, complete any updates, log in to your account, and ensure you're still able to access your Scout's account. This will ensure there are no issues when it becomes time to get back out there and start selling for this year.

FUN FACT: Being registered with Pack 444 does not automatically register a Scout in the Trail's End system used for our Popcorn Fundraiser.

Currently, only 55% of our registered Pack 444 Scouts are also registered in Trail's End. Our goal is to have 100% of our Scouts registered in Trail's End! Every Scout needs their own Trail's End account, so please take a moment to make sure your Scout is registered and ready for this year's Popcorn season.

If you have any questions or need any assistance don't hesitate to reach out to our Popcorn Kernel:
Lexie Anderson

Steps for registering new Scouts (Complete steps one time PER SCOUT registering)

1) Download the Trail's End app from Google Play Store or Apple Store.

Scan the QR Codes Below or Click the Links:

Apple App Store
Iphone/Ipad

Google Play Store
Android

[App Store Link](#)

[Google Playstore Link](#)

You can use this link to complete the registration process from a computer if needed. However you will be required to download the app to complete any sales so doing so now ensures the smoothest start of popcorn sales

[Link to Webpage for Computer Registration Option](#)

2) Enter the requested information under Register Scout fields.
ONLY INPUT ONE SCOUT AT A TIME!

3) Create a username and password. Once account is created, click Continue.

4) Enter our **Unit Code: FAGC2** and Click Continue.

5) Once it finds our Unit/Pack, make sure it's marked and click Continue.

6) If you only have 1 Scout to register click No thanks, return to login.
If you have another Scout to register click the Yes! to register your next Scout.
